

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

What this means for you: When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver’s license or other identifying documents.

This credit application will be submitted to GreenState Credit Union (the “Lender”) for review. The Lender’s designated representative (or a person under their supervision, as appropriate) may communicate its status or address other ques-tions you may have about your application or the loan process. The retailer/realtor from whom you may purchase a home and its sales consultants may assist you with matters associated with the sales transaction – for example, the type of home to purchase, options, site improvements, sales features that may impact your financing options, etc.

During the sales process, if there are questions that may impact the financing of your purchase, your sales consultants may conference or connect you with the appropriate representative(s) of the Lender for your convenience.

Following the receipt of your credit application, a representative from the Lender (or a person under their supervision, as appropriate) may contact you to discuss your application. Should you have any questions about this application, please contact the Lender at the numbers provided below.
